

LIFE BUILDERS INTERNATIONAL

MISSION TRIP IN THE LAST 5 YEARS APPLICATION

We are excited about your interest in serving with L.B.I. This application is designed to help us become acquainted with you as well as form a job description for you. Please fill out this application with a pen. Please return this to Jason@lifebuildersinternational.org. Once we have received your application, we will contact you with our results and an invitation with the area that we feel that would complement your gifts. In the meantime, we will be praying with you that God's heart will be made known completely. One application filled out per person, for married couples please fill out separately.

I do hereby make application to join L.B.I. to the country of Guatemala on a mission trip. I have read the short-term volunteer mission guide. I am responsible for my own insurance. I agree not to hold Life Builders International or staff liable for any mishap, negligence, or accident that could occur while serving the Lord.
